After creating your account and adding your student(s), click on the Home button to return to the home page. You can click on the Summer Academy tile from here.

Once in the store, you can browse all of the Academies that are available to your child. There are several pages, so don't forget to click Next!

Click on View Details to learn more about individual academies or to register.

Registration is a two-step process. When you view a product's details, you will see a link to a registration form, followed by an acknowledgement checkbox. You will need to follow that link and fill out a registration form for each child you are signing up for a Summer Academy. You only have to fill this form out one time for each child. You can then check the box in each academy indicating you filled out the form.

Once you are in the Summer Academy Registration, fill out the form for each child, following the instructions on the page. After you finish the Summer Academy Registration form you can purchase individual academies without having to fill the form out again.
