

WEEK IN WELDING

June 15th - 19th (2020)

1 PM - 4 PM

Sharon, PA

WEEK IN WELDING OVERVIEW

Monday - Friday, June 15th - 19th 2020
From 1 PM - 4 PM

Designed to teach basic skills to students who have a real interest in working in this field, we are offering this FREE Week in Welding to high school juniors and seniors! This is a great way to see if this is the right trade for you! This program can potentially help you secure a future in welding or other skilled trades!

At the end of the program, if students work hard and pass all requirements, they will be awarded a Certificate of Completion and the opportunity for a reserved spot in our program once you are ready to enroll!

PROGRAM DETAILS

- students must provide their own transportation
- class begins promptly at 1 PM and ends at 4 PM

Students *must* wear leather boots, a long sleeved cotton shirt, and jeans with no holes or frayed ends . Safety glasses will be provided.

STUDENT REQUIREMENTS

Although there is no fee to participate, students are required to:

- Be drug free
- Successfully pass the exit exam
- Be on time and in attendance daily
- Be a 2020 high school junior or senior
- Follow all teacher's instructions promptly
- Complete a one-week program of 15 hours

ONE WEEK ONLY! OPEN TO 2020 HIGH SCHOOL JUNIORS AND SENIORS
ONLY 15 SPOTS, RSVP NOW
