Feedback received from district staff, students, parents/guardians, community members and Wellness Committee. <p>An assurance that district guidelines for reimbursable meals are not less restrictive than regulations and guidelines issued for schools in accordance with federal law shall be provided annually by the:</p> <ol style="list-style-type: none"> 1. Food Service Supervisor. 2. Business Manager. 3. Superintendent. <p><u>Wellness Committee</u></p> <p>The Board shall appoint a Wellness Committee comprised of at least one (1) of each of the following: School Board member, district administrator, district food service representative, student, parent/guardian, member of the public, teacher,</p>
--	---

	<p>school nurse, school counselor, coach, classified staff, health professional, representative of local or county agency and other individuals chosen by the Board.</p> <p>The Wellness Committee shall serve as an advisory committee regarding student health issues and shall be responsible for developing a Student Wellness Policy that complies with law to recommend to the Board for adoption.</p> <p><u>Advisory Health Council</u></p> <p>An Advisory Health Council may be established by the Superintendent to study student health issues and to assist in organizing follow-up programs.</p> <p>The Advisory Health Council may examine related research and laws, assess student needs and the current school environment, review existing Board policies and administrative regulations, and raise awareness about student health issues.</p> <p>The Advisory Health Council may make policy recommendations to the Board related to other health issues necessary to promote student wellness.</p> <p>The Advisory Health Council may survey parents/guardians and/or students; conduct community forums or focus groups; collaborate with appropriate community agencies and organizations; and engage in similar activities, within the budget established for these purposes.</p> <p>The Advisory Health Council shall provide periodic reports to the Superintendent and/or Board regarding the status of its work, as required.</p>
<p>SC 1422</p>	<p>Individuals who conduct student medical and dental examinations shall submit to the Advisory Health Council annual reports and later reports on the remedial work accomplished during the year, as required by law.</p>
<p>SC 1513 Pol. 102, 105</p>	<p><u>Nutrition Education</u></p> <p>The goal of nutrition education is to teach, encourage and support healthy eating by students. Promoting student health and nutrition enhances readiness for learning and increases student achievement.</p> <p>Nutrition education will be provided within the sequential, comprehensive health education program in accordance with curriculum regulations and the academic standards for Health, Safety and Physical Education, and Family and Consumer Sciences.</p>

Nutrition education shall provide all students with the knowledge and skills needed to lead healthy lives.

Nutrition education lessons and activities shall be age-appropriate.

School food service and nutrition education classes shall cooperate to create a learning laboratory.

Nutrition education shall be integrated into other subjects to complement but not replace academic standards based on nutrition education.

Lifelong lifestyle balance shall be reinforced by linking nutrition education and physical activity.

The staff responsible for providing nutrition education shall be properly trained and prepared and shall participate in appropriate professional development.

District staff shall cooperate with agencies and community organizations to provide opportunities for appropriate student projects related to nutrition.

Consistent nutrition messages shall be disseminated throughout the district, schools, classrooms, cafeterias, homes, community and media.

Nutrition education shall extend beyond the school environment by engaging and involving families and communities.

Physical Activity

District schools shall strive to provide opportunities for developmentally appropriate physical activity during the school day for all students.

District schools shall determine how they will contribute to the effort to provide students opportunities to accumulate at least sixty (60) minutes of age-appropriate physical activity on all or most days of the week. That time will include physical activity outside the school environment, such as outdoor play at home, sports, etc.

Students shall participate daily in a variety of age-appropriate physical activities designed to achieve optimal health, wellness, fitness, and performance benefits.

A physical and social environment that encourages safe and enjoyable activity for all students shall be maintained.

<p>SC 1512.1 Pol. 102, 105</p>	<p>Extended periods of student inactivity, two (2) hours or more, shall be discouraged.</p> <p>Physical activity breaks shall be provided for elementary students during classroom hours.</p> <p>District schools shall partner with parents/guardians and community members to institute programs that support physical activity.</p> <p>Physical activity shall not be used as a form of punishment.</p> <p>Students and the community shall have access to physical activity facilities outside school hours.</p> <p><u>Physical Education</u></p> <p>Quality physical education instruction that promotes lifelong physical activity and provides instruction in the skills and knowledge necessary for lifelong participation shall be provided.</p> <p>Physical education classes shall be the means through which all students learn, practice and are assessed on developmentally appropriate skills and knowledge necessary for lifelong, health-enhancing physical activity.</p> <p>A comprehensive physical education course of study that focuses on providing students the skills, knowledge and confidence to participate in lifelong, health-enhancing physical activity shall be implemented.</p> <p>A sequential physical education program consistent with curriculum regulations and Health, Safety and Physical Education academic standards shall be developed and implemented.</p> <p>Adequate amounts of planned instruction shall be provided in order for students to achieve the proficient level for the Health, Safety and Physical Education academic standards.</p> <p>A local assessment system shall be implemented to track student progress on the Health, Safety and Physical Education academic standards.</p> <p>Students shall be moderately to vigorously active as much time as possible during a physical education class. Documented medical conditions and disabilities shall be accommodated during class.</p>
------------------------------------	--

Safe and adequate equipment, facilities and resources shall be provided for physical education courses.

Physical education shall be taught by certified health and physical education teachers.

Appropriate professional development shall be provided for physical education staff.

Other School Based Activities

District schools shall provide adequate space, as defined by the district, for eating and serving school meals.

Students shall be provided a clean and safe meal environment.

Students shall be provided adequate time to eat: ten (10) minutes sit down time for breakfast; twenty (20) minutes sit down time for lunch.

Meal periods shall be scheduled at appropriate hours, as defined by the district.

Students shall have access to hand washing or sanitizing before meals and snacks.

Qualified nutrition professionals shall administer the school meals program.

Professional development shall be provided for district nutrition staff.

Access to the food service operation shall be limited to authorized staff.

Nutrition content of school meals shall be available to students and parents/guardians.

Students and parents/guardians may be involved in menu selections through various means.

To the extent possible, the district shall utilize available funding and outside programs to enhance student wellness.

Food shall not be used in the schools as a reward or punishment.

The district shall provide appropriate training to all staff on the components of the Student Wellness Policy.

	<p>Goals of the Student Wellness Policy shall be considered in planning all school based activities.</p> <p>Fundraising projects submitted for approval shall be supportive of healthy eating and student wellness.</p> <p>Administrators, teachers, food service personnel, students, parents/guardians, and community members shall be encouraged to serve as positive role models through district programs, communications and outreach efforts.</p> <p>The district shall support the efforts of parents/guardians to provide a healthy diet and daily physical activity for children by communicating relevant information through various methods.</p> <p><u>Nutrition Guidelines</u></p> <p>All foods available in district schools during the school day shall be offered to students with consideration for promoting student health and reducing childhood obesity.</p> <p>Foods provided through the National School Lunch or School Breakfast Programs shall comply with federal nutrition standards under the School Meals Initiative.</p> <p><u>Competitive Foods/Beverages</u></p> <p>Competitive foods are defined as foods offered at school other than through the National School Lunch or School Breakfast Programs and include a la carte foods, snacks and beverages; vending food, snacks and beverages; school store food, snacks and beverages, fundraisers; classroom parties; holiday celebrations; and food from home.</p> <p>SC 504.1</p> <p>SC 1337.1</p> <p>SC 504.1</p> <p>Exclusive competitive food and/or beverage contracts shall be approved by the Board, in accordance with provisions of law.</p> <p><u>Safe Routes To School</u></p> <p>The district shall cooperate with local municipalities, public safety agency, police departments, and community organizations to develop and maintain safe routes to school.</p>
--	---

District administrators shall seek and utilize available federal and state funding for safe routes to school, when appropriate.
