**Fall of 1946**

The Crowning (taken from the 1947 Hickory Nut)

"A heavy silence reigns, soft blue lights reflect from white formal dresses and the crown is placed on a bowed head. A new tradition is established at Hickory High School."

In commemoration of the second successful football season at Hickory, retiring and reigning queens and attendants were elected by the student body. The crowning ceremony was held November 7th in the Hickory High School gymnasium...now the Hermitage Middle School.

Joyce Robb had the shortest reign in school history as she kept the title from the time the class voted until the crowning in November. The "crown" was a tiara made in shop class...a stainless steel band with a football on top!
