Summer Leader Experience: Cadet Life at West Point

The West Point Summer Leader Experience is a week-long immersion into the academic, military, and social life of a cadet. Our country's best asset is our people. West Point is trusted to educate, train, and inspire its undergraduate students to become leaders and to make an impact on the world stage. You will explore West Point from all angles, including high-tech educational facilities, team building athletic activities, and realistic military training. You will get a taste of Cadet Life through the entire program, which is led by current West Point cadets. You will experience the thrill of victory when you overcome the challenges of our summer program and will form life-long connections and friendships with your future classmates.

Applicants will be informed of their status by mid-April. SLE Sessions include:

- Session 1: May 28 - June 3, 2022
- Session 2: June 4 - June 10, 2022

Attendee Benefits:

- 1-on-1 interview and discussion time with a current West Point cadet.
- Introduction to our academic curriculum.
- Optional group discussion with West Point athletics coaches.
- Small group and counseling sessions with the West Point Admissions team.
- Insight into cadet life and West Point culture of leadership.
- Training and experience in U.S. Army squad, platoon, and company leadership.
- Cadet Fitness Test training and tips for success.
- Connect with other top high school scholars, athletes, and leaders from across the nation: your peers and future classmates.
- West Point SLE Merchandise and training equipment.
- Certificate of Graduation for West Point Summer Leader Experience.

???QUESTIONS???
