

How To Access Think Central Math Resources

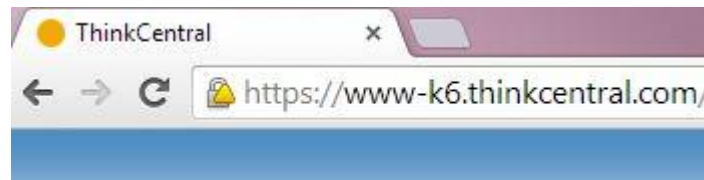

- In your web browser go to www.hermitage.k12.pa.us
- Click on “Students” along the top menu bar

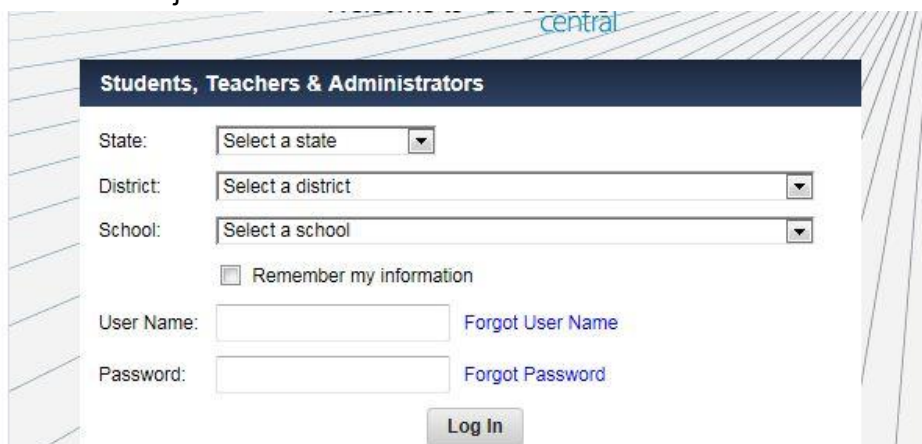

- From the left navigation bar click on “Think Central”

- Or...You can type in the web address <https://www-k6.thinkcentral.com> in your web browser

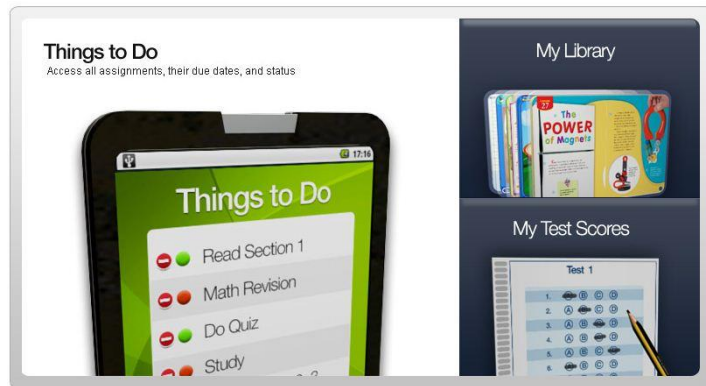

- Complete the correct information according to your student
 - Username: studentid
 - Password: firstinitial+lastinitial+8 digit birth date
 - ex. jk03231999

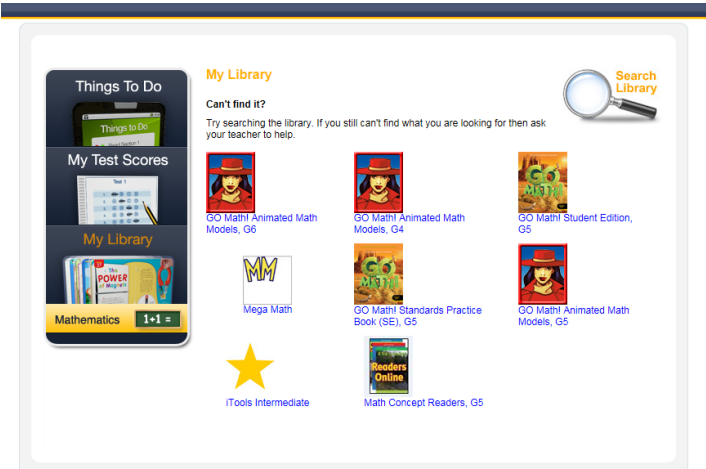

A screenshot of the Think Central login page. The page title is 'Students, Teachers & Administrators'. It contains several input fields: 'State' (a dropdown menu with 'Select a state'), 'District' (a dropdown menu with 'Select a district'), and 'School' (a dropdown menu with 'Select a school'). There is a checkbox for 'Remember my information'. Below these are 'User Name' and 'Password' input fields, each with a 'Forgot' link. A 'Log In' button is at the bottom.

- Once in you will see your ‘dashboard’

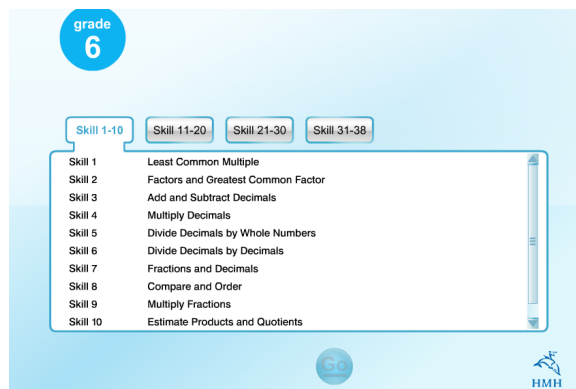

- If teachers have assigned something to students you will see this under “Things to Do”
- If not, students can go to “My Library”

- Click on any of the icons in the “Library” and you will be taken to activities

- Click on any of the skills and activities and click “Go”

- Use the tools and follow the directions in the module to complete
